League Rules and Duties of Team Captains

1. Team and Fixture Lists.

Each Captain should ensure that each team member has been provided with a team list and a fixture list.

2. Punctuality.

All matches must start on time. This is essential to allow play to finish by 10.45pm at the latest.

If a match is delayed beyond 15 minutes of scheduled start times (7:00pm or 8:30pm) due to late arrival of team members. The offending team will forfeit two games commencing play at 0-2.

3. Lights.

A key for the light box will be made available. It is the responsibility of the Home Team Captain on the late session (8.30pm to 10.00pm) to turn all lights off. Captains must not rely on others to do this.

4. Tennis Balls.

Each Captain will be provided with tennis balls which must be brought to each fixture and dried out between fixtures. The balls held by the Home Team Captain will be used at each fixture.

5. Score Sheet.

The Home Team Captain is responsible for ensuring that all players record their match scores on the score sheet. The score in each set should be recorded. Both Captains must agree the final score, signing dating and correctly filing the score sheet. Also please ensure subs used are clearly named included level.

ACTUAL SCORES, NOT ADJUSTED SCORES, MUST BE RECORDED ON THE SHEET.

Captains are responsible for adding score to league table on club house notice board and texting the scores to Arthur (07740468569) so website can be updated. Score sheets to be left in LEAGUE REPORTS pigeon hole in clubhouse to facilitate the press reporter.

6. Match rules.

Each match will consist of 12 games of mixed followed by 12 games of doubles, no tiebreak required. The normal deuce rule will apply. In the event of two teams having the same number of points at the end of the league, a deciding match will be played between the top ranked mixed pairings of the teams concerned. .

7. Substitutes.

Team members unable to attend fixtures are responsible for organising a substitute, not Team Captains.

To give as many people an opportunity to play, players arranging a substitute should ask appropriate player on the substitute list, prior to asking players from the alternate nights teams.

A substitute of the same or lesser ranking can be taken from either the substitute list or from players competing on the alternate league night. IF THIS RULE IS BROKEN THE BEST SCORE AVAILABLE TO THE OFFENDING TEAM IS 5-7.

Substitutes must come from the subs list or from the alternate night's teams.

Anyone wanting to add their name to the subs list should contact a committee member to enable a fair ranking to be allocated.

8. Rules to apply when using substitutes.

Matches where substitutes are used will be subject to the following rules. If a substitute along with his or her partner (who could also be a substitute) wins their match by a score greater than 7-5 then their score will be adjusted to a winning score of 7-5. If they loose the match no adjustment of the score will be made and the final score will stand. If both sides are playing one or more substitutes in a match no adjustment will be made to the final score and the final score will stand.

9. Unplayed matches.

Unplayed or incomplete matches, due to injury, are to be scored 5-7.

Unplayed matches due to absence are to be scored 0-12

If an injury is going to keep a player out for a substantial number of weeks the team Captain may ask the committee to consider a permanent replacement. If agreed rule 7 would not apply.

10. Weekly Commentary

In order to share the workload of writing up weekly press reports it is important that the home captain for each match forward a commentary on the nights play to Mark Cousins at marev.cousins@btinternet.com within 48 hours of the match for inclusion in the local press. John will format the draft report but please complete as full an account as possible to ensure the club and its sponsor achieves maximum publicity.

11. Clarification of League rules and duties of Team Captains.

Clarification of the above is available from Maxine on 07719304254.
